A few notes on how homework will be graded:

Credit will be based on correct explanations, not correct answers.

Neatness counts!

Working together is encouraged... cheating is not. I reserve the right to deny credit if I feel a student is copying off another student (or a solutions manual).

Homework will be **DUE AT THE BEGINNING OF EVERY CLASS PERIOD**, and **late homework will not be accepted**.

Recitation: Jack Yoon will run this part of the class. A 10 minute quiz will be given at the beginning of every recitation. Then you are to complete and turn in a worksheet with the remaining time.

Academic Honesty: As a University of Hawaii student, you have agreed to abide by the University's academic policy.

Extra Help: Don't hesitate to come to office to discuss a homework problem.

-The Learning Emporium:

A free tutoring center, located in room 209 of the Bilger Addition.

Attendance Policy: Students are expected to attend classes regularly. A student who incurs an excessive number of absences may be withdrawn from this class at my discretion.
