

Department of Mathematics

**SUPER-M: School and University Partnership for Educational
Renewal in Mathematics**

Teacher Workshop

November 7, 2009, 9am-3pm

At Pauoa Elementary School in Honolulu

SUPER-M is a newly funded, National Science Foundation Graduate Teaching Fellows in K-12 Education project at the Department of Mathematics, UH-Manoa. The intent of the project is to make high-level mathematical concepts accessible to K-12 students through partnerships between teachers and mathematics graduate students.

www.math.hawaii.edu/SUPERM/

- Learn about current research efforts in mathematics.
- Work with graduate students in mathematics to strengthen your curriculum.
- Bring your questions and concerns about mathematics.
- Engage in candid discussions about mathematics content with UH-Manoa graduate students and professors.
- Hear from this year's partners and learn how you could be part of this project.

Space is limited, please respond by October 30th. Support for travel and stipends are available. If interested please contact Linda at lindahv@math.hawaii.edu or 956-4669.
