MATH BOOT CAMP 2025

Algebra and Trigonometry Review

Worried about beginning or restarting college-level math?

The University of Hawai'i at Mānoa Mathematics Department is offering two free, IN-PERSON Summer sessions for student who would like to brush up their college algebra and trigonometry skills before taking MATH 134, 140X, 215, 241, or the Math Placement Exam. Students are encouraged to register for the College Algebra Session, Trigonometry Session, or BOTH! Students who attend the entire Boot Camp are granted a Placement Exam retake, regardless of their last attempt date.

Included in the Boot Camp are tips on how to study effectively for math courses, use AI productively for school, and succeed in college!
