<http://www.math.hawaii.edu/~johncr>

A few notes on how homework will be graded:

Credit will be based on correct explanations, not correct answers. Neatness counts! Working together is encouraged... cheating is not. I reserve the right to deny credit if I feel a student is copying off another student (or a solutions manual). Homework will be **DUE AT THE BEGINNING OF EVERY CLASS PERIOD**, and **late homework will not be accepted**.

**Absence/Make up:** If you are sick or unable to make it to class you must email me your homework before class starts (to prove you did it), and then turn it into the folder on my office door asap. If you are going to miss an exam due to being sick you must let me know ahead of time and provide a doctors note. You will need to schedule a retake within one week of the test, it's not my responsibility to make sure you take a missed exam.

**Recitation:** Chris Abel (your TA) will run this part of the class. A 10 minute quiz will be given at the beginning of every recitation. Then you are to complete and turn in a worksheet with the remaining time.

**Academic Honesty:** As a University of Hawaii student, you have agreed to abide by the University's academic policy.

**Extra Help:**

*Office Hours:*

Don't hesitate to come to office hours to discuss a homework problem.

*The Learning Emporium:*

A free tutoring center, located in room 209 of the Bilger Addition.

**Attendance Policy:** Students are expected to attend classes regularly. A student who incurs an excessive number of absences may be withdrawn from this class at my discretion.

**Grade Breakdown:**
